

Nissan Forklift

Nissan prides itself on reaching total consumer satisfaction when their customer is enjoying one of their various trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and detail-oriented quality values to their clients. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan Forklifts provide some of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide desires of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the business has four distinct manufacturing facilities that permit them to continually adapt to their customers continually evolving needs by offering a variety of modern ideas and designs.

The Nissan Lift truck North and South American center is situated in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the cooperation, design and manufacture of their goods. Operating under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to sustain environmental responsibility by utilizing techniques that minimize the worldwide impact of their products and processes. These high values remind clients that Nissan operates under the quality seal that their clients insist upon whilst being an environmentally responsive organization.

Nissan is confident that they will be capable of addressing any client queries or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
